MEMORANDUM FOR: Deputy Director for Intelligence  
FROM: Deputy Director of Central Intelligence  
SUBJECT: Reporting on PRG Meetings

1. The DCI and I would appreciate your preparing a brief Memorandum for the Record of what takes place at PRG meetings. It is often difficult to catch one or the other of us following the meetings, and if we are pressed we often get only a few sentences. A brief one or two paragraph memorandum not only will ensure that we are regularly and adequately advised, it will give us the opportunity to inform others if we decide to circulate it further.

2. In order that the memorandum be timely, we would ask that you prepare it and have it delivered to us on the same day as the meeting.
